PROFESSIONAL SUMMARY

Dedicated and experienced Cabin Crew member with a Bachelor of Science in Tourism Management, committed to providing top-tier customer service and ensuring passenger safety, hospitality, warmth, and comfort. Trained in first aid, emergency response, and operational procedures with a strong ability to work collaboratively in a team environment.

WORK EXPERIENCE

AirSWIFT Transport Inc.

November 2023 – June 2026

Lead Cabin Crew

- Lead the cabin on ATR 72-600 flights, coordinating with the flight deck to ensure seamless operations and superior guest service.
- Independently operated ATR 42-600 flights, managing all aspects of safety, service, and passenger needs, contributing to a positive flight experience.
- Trained in applicable first aid, security checks, and emergency response, demonstrating calmness and efficiency in high-pressure situations
- Completed post-flight documentation, ensuring accurate reporting and compliance with company safety standards.
- Facilitated onboard service excellence by providing personalized attention to passengers, enhancing their travel experience.
